EDUCATION

- Ph.D.** City and Regional Planning (2003-2008); *Cognate Area:* Urban Sociology & Economics; *Thesis Title:* The Relationship between Squatter Housing Transformation and Urban Integration of Rural Migrants: A Case Study in Dikmen; Middle East Technical University (METU)
- M.S.E** Economics (2001-2003); *Cognate Area:* Macroeconomics; *Project Title:* The Monetary Policies of Turkish Central Bank from the Planned Era (1963) to 2003, Middle East Technical University (METU)
- B.CP.** City and Regional Planning (1996-2001); *Cognate Area:* Urban Economics; Middle East Technical University (METU)

MAJOR FIELDS OF CONCENTRATION

Urban integration, physical and social dimensions of urban transformation, housing satisfaction, participatory planning, student-centered education, basic design.

PROFESSIONAL EXPERIENCE

Associate Professor, Department of City and Regional Planning, Cankaya University, Ankara, Turkey (February 2014 -present)

Head of the Department, Department of City and Regional Planning, Cankaya University, Ankara, Turkey (April 2012-present)

Assistant Professor, Department of City and Regional Planning, Cankaya University, Ankara, Turkey (April 2012-February 2014)

Head of the Department, Department of Interior Architecture, Cankaya University, Ankara, Turkey (July 2010-July 2011)

Assistant Professor, Department of Interior Architecture, Cankaya University, Ankara, Turkey (February 2009-2012)

Instructor, Department of Interior Architecture, Cankaya University, Ankara, Turkey (February 2009-September 2009)

Part-Time Instructor, Department of Interior Architecture, Cankaya University, Ankara, Turkey (February 2008-February 2009)

Teaching Assistant, Department of City & Regional Planning, METU, Ankara, Turkey (January 2005-August 2008)

EU Project and Human Resources Manager, Project and Human Resources Department, WhiteDot Personal Improvement Foundation, Ankara, Turkey (November 2003-December 2004).

- Managing the current human resources and career planning projects,
- Producing projects to European Union Sixth Framework Programme (EU FP6) or translate current projects into EU format in order to create financial resources,
- Organizing personal improvement and career planning seminars for the staff and members
- Organizing workshops for the training of its members

Project Researcher, Department of Preschool Education, Ankara University, Ankara, Turkey (December 2001-June 2002)

- Searching European case studies on preschool education (literature survey)
- Translating the document from English to Turkish

Courses Given (2008-present):

- Basic Design Studio for Planners
- Introduction to Planning Studios
- Introduction to Architectural Design I and II
- Basic Design I and II
- Urban Sociology
- Research in Planning
- Research in Interior Architecture
- Urban Design
- Social and Cultural Factors in Architectural Design
- User Needs and Satisfaction in Architecture
- Foundation for Interior Architecture I and II
- Research Methods (graduate course)
- Graduate Studio I (graduate course)

ACADEMIC HONORS and SCHOLARSHIPS

- TÜBİTAK Award for International Publication, The Scientific and Technological Research Council of Turkey, 2015.
- TÜBİTAK Award for International Publication, The Scientific and Technological Research Council of Turkey, 2014.
- TÜBİTAK Award for International Publication, The Scientific and Technological Research Council of Turkey, 2010.
- METU Best PhD Dissertation Award, Graduate School of Natural and Applied Sciences, Middle East Technical University, Turkey, 2009.

- Fellow of EU- Future Urban Research in Europe Fellowship Programme (post-doc), Bauhaus University, Germany, 2008
- TÜBİTAK Fellow of Participation to International Congress Support Programme, The Scientific and Technological Research Council of Turkey, 2007
- Honor Degree Ph.D. Graduate, Department of City & Regional Planning, METU, 2008
- Honor Degree M.S.E. Graduate (First in rank), Department of Economics, METU, 2003
- Honor Degree B.S. Graduate (Fourth in rank), Department of City & Regional Planning, METU, 2001

CERTIFICATES OF APPRECIATION

- Chamber of Interior Architects of Turkey, 2011.
- 3rd National Meeting of Heads of Department of Interior Architecture, ITU Faculty of Architecture, 2010.
- 31th Meeting of Heads of Department of Architecture, Amasya University, 2010.

RESEARCH PROJECTS

i. Special Industrial Zone Development, Ministry of Industry, December 2017-present

This project focuses on feasibility analysis of iron and steel industry in special zone development.

- Project coordinator

ii. Redesigning Façade of Industrial Buildings and Street Silhouette of OSTİM Organized Industrial District, Ankara, Turkey, March-June 2014.

This project aims to redesign façade of industrial buildings and street silhouette of OSTİM Organized Industrial District with respect to improvement plans by the help of needs and expectations of users of the industrial district. It includes two major parts. The first part elicits spatial needs and expectations of users through questionnaires. The following part concentrates on redesigning the façade of industrial buildings and reorganizing the street pattern in the district.

- Project Coordinator

iii. European City Seminars 2010: Ethnicity in the City, Multicultural Centre Prague

The seminars invite graduate researchers, journalists and artists to participate in a unique project that will deal with ethnic themes in central European cities. The outcome of this project will contain several case studies and media material as photo series, audiovisual recordings etc. Selected participants will participate at the following research seminars:

1. **Ostrava** (Czech Republic) and **Krakow** (Poland), April 2010.
2. **Bratislava** (Slovakia) and **Vienna** (Austria), May 2010.
3. **Berlin** (Germany), June 2010.

- Research Advisor: Consultant in the research planning, and data collection and analysis processes, editor of research papers.

- iv. **Urban Exchange Studio**, An International Workshop, Partnership of Adelaide University and Middle East Technical University (METU), Ankara, Turkey (June-July, 2008).

The workshop aims to increase the spatial, social and cultural awareness of selected graduate and under graduate students from the department of city planning, architecture and landscape architecture in Adelaide University and METU, to provide an environment to the students to experience different design and educational approaches and cooperation with different professional groups, and to guide students while they are preparing an Urban Transformation Project for Hacıbayram Neighborhood.

- Member of the Organization Committee: Organizing the activities and lectures of the workshop.
- Lecturer: Following and the criticizing the student projects, and giving lectures on project related topics.

- v. **The Role of Urban Transformation on Urban Integration of Squatter Housing Inhabitants: The Case of Ankara**, Scientific Research Project, METU, Ankara, February 2007-May 2008.

- Project researcher

- vi. **The Şengül Hammam Neighborhood in the Historic Center of Ankara: Spatial Upgrading through Empowerment and Social Action**, A minor project of an EU project –HAMMAM- (www.hammams.org), METU, Ankara, Turkey (2007-2008).

The project develops strategies and designs new concepts for adapting the old hammam features to contemporary Islamic life, at the same time assessing possibilities for the participation processes and for raising the life quality in Islamic urban neighborhoods. It explores future images for a cultural heritage building that has a day-to-day usage.

- Project Researcher and Coordinator: Fulfilling and coordinating the project activities, project reporting and project evaluation.

- vii. **Strategic Planning Workshop for Municipality of Kaymaklı**, A Training Program on Improving Abilities of Working Together in Local Governance and Planning in an European Union project of *Togetherness of Women in Kaymaklı from Neighborhood Units to Local Governance* under the program of “Empowering Civil Society in Turkey”, Kaymaklı Beatification, Mutual Aid and Solidarity Association (KBMSA), Kaymaklı-Cappadocia/Nevşehir, Turkey (2007-2008).

The training program aims to gain abilities of working together to the local stakeholders of Kaymaklı, to guide these stakeholders on participatory methods and techniques, and to prepare the future city planning of Kaymaklı with local partners.

- Assistant Moderator: Preparing and moderating some sessions of the training program.
- Program Researcher: Following-up the outcomes of the program.

- viii. **The Role of Urban Transformation on Urban Integration of Rural Migrants: The Case of Ankara**, Scientific Research Project (BAP), METU, Ankara, Turkey (January-June 2007).

- Project Researcher
 - ✓ Responsible for the Literature Review
 - ✓ Responsible for Data Collection and Analysis Processes

- ix. **Improving The Turkish and Greek Friendship Project**, Foundation of Being Together (BIVAK), Ankara, Datça and Symi Island, Turkey and Greece (2006-2009).

- Voluntary Project Researcher:
 - ✓ Searching for similar case studies from Europe,
 - ✓ Transforming the project into EU format.

x. Personal Improvement Platform Project, WhiteDot Personal Improvement Foundation, Ankara, Turkey (2003-2004).

The project aims to prepare university students and unemployed university graduates to their career life.

- Project Manager:
 - ✓ Managing the conceptual, financial and time coordination of the project,
 - ✓ Organizing seminars, conferences and training workshops.

xi. Career Planning and Training of Unemployed University Graduates Project, WhiteDot Personal Improvement Foundation, Ankara, Turkey (2003-2004).

- Project Researcher:
 - ✓ Following EU Sixth Framework Programme calls,
 - ✓ Preparing the project in EU format,
 - ✓ Assisting the methodology of the project (making in-depth interviews with participants of the project, coding and data analysis),
 - ✓ Assisting in the evaluation process of the success of the project.

STUDIO PROJECTS

- Istanbul Metropolitan Area planning projects (Scale:1/250.000, 1/100.000, 1/50.000, 1/25.000, 1/5000, 1/1000), METU studio projects (worked as project assistant), 2005-2008.
- Mersin Metropolitan Area planning projects (Scale:1/250.000, 1/100.000, 1/50.000, 1/25.000, 1/5000, 1/1000), METU studio projects (worked as an undergraduate student), 2000-2001.
- Adapazarı Earthquake Zone planning projects (Scale: 1/50.000, 1/25.000, 1/5000, 1/1000), METU studio projects (worked as an undergraduate student), 2000.
- İzmit-Düzce Corridor Regional Planning Studies (Scale: 1/250.000, 1/100.000), METU studio projects (worked as an undergraduate student), 1999.
- Artvin Planning projects (Scale: 1/250.000, 1/100.000, 1/50.000, 1/25.000), METU studio projects (worked as an undergraduate student), 1998-1999.

PROJECT REFEREEING

- Project Referee in Tubitak 1003- Prioritized Fields R&D Projects Funding Program, The Scientific And Technological Research Council Of Turkey (TUBITAK), 2017
- Member of Project Assessment Committee in Cukurova Development Agency- Projects on Micro Enterprises, Production and Environment Infrastructure, Competitiveness and Innovation, Cukurova Development Agency, Adana, 2015.
- Project Referee in Tubitak 1002- Short Term R&D Projects Funding Program, The Scientific And Technological Research Council Of Turkey (TUBITAK), 2015.
